*£100.00 Minimum carriage paid orders to Northern/Southern Ireland. Orders under £100.00 will incur a carriage charge of £10.00 Northern and £20.00 Southern Ireland. Direct Deliveries to the Channel Islands/Guernsey will incur a £15.00 Carriage Charge.

Replacement Parts

Replacement parts are available for all our products and will be despatched within 1-2 working days. Sagittarius will hold replacement parts for discontinued ranges for up to 3 years after the discontinuation date.

Technical Support

If you require technical information or would like advice on any of our products, please contact our technical support team on 0161 620 2034 and they will be only too happy to help.

Agents

Our Sales Agents cover all of the UK and Ireland and are happy to discuss our products with you and to offer any relevant advice. They will also collect returns if necessary. Please contact the Sales Office on 0161 620 2029 for details of the Agent in your area.

Finishes

If you have decided on the range for your bathroom but require an alternative finish, further details of the options available may be obtained from our Sales Office. For special request finishes, delivery time will be within 14 days from date of order.

How to Order

Consumers can order Sagittarius products through one of our nationwide retailers. For your nearest stockist please telephone our sales office on 0161 620 2029.

Returns Policy

Sagittarius does not offer a sale or return facility. We may however in certain circumstances agree to take stock back, subject to a restocking charge. Providing that:

1. The Products are packaged in perfect condition.
2. Goods were supplied less than 8 weeks prior to the return date.
3. They are accompanied by a Sagittarius returns note and the Invoice or Goods Delivery Note number is quoted.
4. The products are returned in an outer carton and not returned in their individual boxes loose.
5. Approval for the return of the goods has been agreed.

PLEASE NOTE ~ We reserve the right to refuse to Credit, any goods returned that are in an unsaleable condition. Or any goods that were a Special Order or discontinued. Faulty or Damaged goods can be returned via your Agent or our couriers. If the goods, are not available when we attempt collection. A charge of £10 will be made to cover the cost to re send the courier back to collect.

We respectfully request you adhere to the Terms and Conditions of the returns policy. By returning the goods in a sellable, well packaged condition. And with the necessary paperwork, will help us to process the Credit to your account more efficiently.

Customer Collection

Orders can be collected Monday to Friday 9-00am to 4-30pm

Operating Pressures

The following symbols appear throughout this publication and represent the minimum recommended operating pressure for each item.

Requires minimum 2.0 bar (20 metres)

Requires minimum 1.0 bar (10 metres)

Requires minimum 0.5 bar (5 metres)

Suitable for all systems

A bar is the vertical distance measured from the base of the cold water tank to the tap or, in the case of a shower, to the shower head.

Sagittarius products are all tested before despatch and a 10 year guarantee covers any defect in manufacture. Chromium plate finishes also carry a 10 year guarantee. As gold finishes are softer, special care must be taken when cleaning and a 1 year guarantee is given.

Sagittarius Limited reserve the right to change or improve the products described in this publication. All details are correct at time of going to press.

SAGITTARIUS taps & showers

Welcome to the Sagittarius Retail Price Guide.

We hope you enjoy browsing through our comprehensive range of Taps and Showers.

Attention to detail

We at Sagittarius feel our products should perform as well as they look. To be able to offer this commitment of quality as standard, we are very specific about the manufacturers we use, and we ensure they have the same attention to detail in place that we want to offer to you the purchaser of our products. Such is our confidence in our manufacturers, we offer a 10 year guarantee against manufacturing defects (excludes moving and serviceable parts, neglect and abuse). We also offer a 10 year guarantee on the chrome plating. Sagittarius products are manufactured to the highest standards, which include BS5412, BS1010, TMV2 & TMV3. Most products incorporate WRAS approved components. Such is our commitment to quality and customer peace of mind.

Our Environment and Wellbeing

We all know how precious water is to our general wellbeing, and how we can take steps ourselves to reduce the amount of water we use. In our continued commitment to water wastage we have developed eco filters that can be fitted to our products to restrict the amount of litres per minute of water. As well as these filters there are Sensor taps, handsets and shower heads, all of which are, or can be, adapted to limit water usage where required.

We also strongly believe that our products should be manufactured and distributed by people who work in Safe and Healthy working conditions. And we also want our products to have the minimal effect on the environment. In our ongoing commitment to being environmentally aware we endeavour to comply at all times to our Environmental Management Policy.

Environmental Management Policy

Sagittarius Ltd is aware of how their environmental management can have an effect on our environment, for us and the generations that follow.

We have outlined a number of points, listed below, that we can follow to ensure we as a company continue to work toward our goal of being a greener company.

- Make sure that our environmental policies remain up to date with current standard
- Minimisation of waste and maximisation of recycling of suitable packaging.
- Compliance with all local and national environmental policies.
- Recycling of damaged and/or unsaleable goods.
- To inform and educate the employees of these policies and listen to and include any ideas they may have.
- Allow our suppliers and customers who have interest in our impact on the environment to send us their comments and suggestions.
- To update our products to better aid our environmental goals.
- To ensure that these guidelines are readily available to all employees and anyone who requires them.

Infra-Red

Introducing our electronic Infra-Red Sensor Taps. These basin mixers are single feed taps, ideal for use with the thermostatic under counter water blending valve, which allows you to control water temperature.

- Reliable, easy to use system
- Hygienic – the touch free system helps avoid the spread of germs and bacteria
- Water efficiency – water supply is triggered by the detection of movement, which also helps remove the risk of flooding

Pumps

SAGITTARIUS by Techflow

For Technical Support on Sagittarius Pumps please phone 0161 620 2034

- Designed for single shower application
- Regenerative Technology • Easy to install
- 15mm inlets & outlets
- Hydrocarbons used in body and impellor manufacture are impervious to plumbers' fluxes
- Size makes it ideal for retro-fit applications
- SP60 ideal for pumping tank fed water to electric showers
- Can be positioned above hot water cylinder

- The full bodied flow is propelled under immense pressure, creating a strong, comfortable shower-jet.
- Uses up to 70% less water than a conventional shower, saves water, energy and is very economical.
- A conventional shower has a flow rate of 25 to 30 litres per minute so a quick five minute shower uses around 125 litres of water. The Venturi shower use only 6 or 8 litres per minute, so you save over 90 litres having a 5 minute shower, cutting water and energy consumption up to 70%.
- Decide for yourself how much water you want to use: 6 to 8 litres per minute dependent on restrictor fitted (two alternative flow restrictors supplied).

Terms and Conditions

GENERAL

Unless otherwise agreed in writing by a Director of the Seller, these conditions supersede any earlier conditions, quotations or terms.

DEFINITIONS

In these conditions;

- A) Seller means Sagittarius Limited
- B) Buyer means the person, Firm or Company by or on behalf of whom the order is placed.
- C) Goods means the item described on the sellers Invoice/Delivery note.

QUOTATIONS

Subject to any agreement to the contrary the sellers quotations are provisional insofar as they are subject to alteration by reference to any changes in the price of raw materials or exchange rates.

DELIVERY

- A) While the seller shall endeavour to deliver the goods by any date agreed upon, the seller shall not be liable for any failure to delivery by such date.
- B) Collection by the buyer or his agent shall constitute delivery.
- C) The seller shall be entitled to make a reasonable charge for the delivery of all orders under the value of £50.00.

RETURNS POLICY

Sagittarius does not offer a sale or return facility. We may however in certain circumstances agree to take stock back, subject to a restocking charge. Providing that:

1. The Products are packaged in perfect condition.
2. Goods were supplied less than 8 weeks prior to the return date.
3. They are accompanied by a Sagittarius returns note and the Invoice or Goods Delivery Note number is quoted.
4. The products are returned in an outer carton and not returned in their individual boxes loose.
5. Approval for the return of the goods has been agreed.

PLEASE NOTE ~ We reserve the right to refuse to Credit, any goods returned that are in an unsaleable condition. Or any goods that were a Special Order or discontinued.

Faulty or Damaged goods can be returned via your Agent or our couriers. If the goods, are not available when we attempt collection. A charge of £10 will be made to cover the cost to re send the courier back to collect.

We respectfully request you adhere to the Terms and Conditions of the returns policy. By returning the goods in a saleable, well packaged condition. And with the necessary paperwork, will help us to process the Credit to your account more efficiently.

WARRANTY

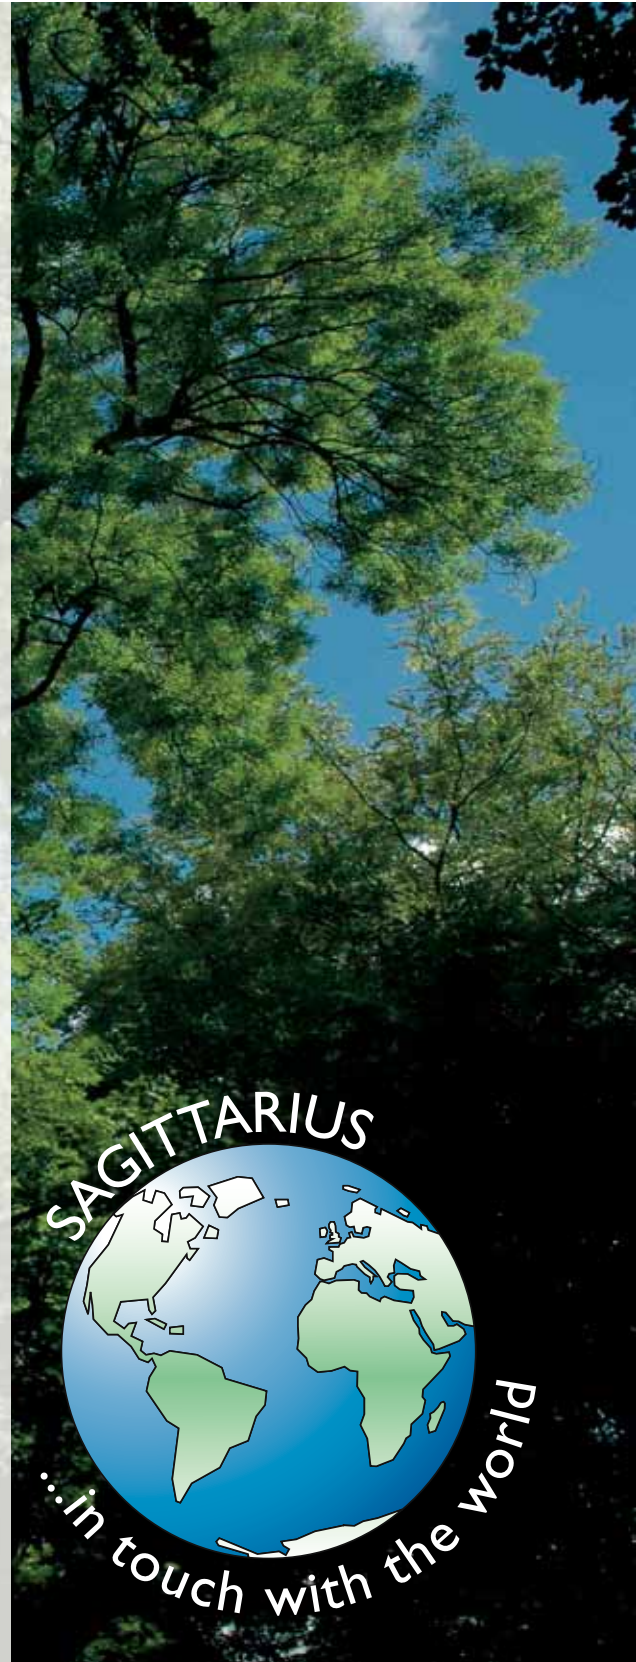

The seller will (entirely as its option) replace or repair at its own expense defects in goods arising from faulty workmanship provided that the Buyer shall have given written notice to the seller as soon as reasonably practicable. The sellers liability in respect of any defects shall be restricted to the repair or replacement of said goods and does not extend to any redecoration or plumbing expense which may be incurred. Reasonable access to any replaceable parts should be considered when installing. Where damage or loss occurs to the goods in transit, the seller shall repair or replace (at its discretion) said goods provided notification is made in writing within seven days of notification of despatch of goods.

PAYMENT AND OWNERSHIP

The goods shall remain the property of the seller until such time as the buyer shall have paid to the seller, the full purchase price as shown. The seller shall be entitled to repossess the goods and to enter onto premises where the goods may be situated immediately on the buyer committing any breach of this contract or any act of insolvency, or in any distress or execution shall levied on his property or assets, or if he shall make or offer to make any arrangements with creditors, or commit any act of bankruptcy or if any petition or receiving order in bankruptcy shall be presented or made against him, or if the buyer is a limited company and petition or resolution to wind up such company's business (other than for the purpose of amalgamation) shall be passed or presented, or if a receiver of such company's property undertaking or assets or any part thereof shall be appointed. In the event of the seller repossessing the goods, the buyer shall be liable to pay to the seller the difference between the price of the goods and their value on repossession and in the event of the seller being entitled to repossess the goods and being unable to for any reason whatsoever the buyer shall pay to the seller the full purchase price thereof in accordance herewith. Unless specified in writing by the seller, payment shall be made to the buyer no later than four weeks following the month in which the goods were despatched. Any discount offered to the customer, is shown on the face of the invoice and affects neither the date by which payment is due nor the seller entitlement to interest in the event that payment is not made by such date.

LAW APPLICABLE

This contract shall in all respects be construed and operate as an English contract and in conformity with the English Law.
