LIFETIME
guarantee

All Geo6 products carry a Lifetime Guarantee against manufacturing faults.

Outstanding functionality at an affordable price

6mm glass

All Geo6 products are manufactured from 6mm toughened safety glass, which conforms to BS6206 Class A. Giving you the peace of mind and reassurance that comes with a quality product.

Polished silver finish

All Geo6 products have a polished silver finish, giving the range a contemporary feel and beautifully offsetting their substantial profiles.

No visible fixings

An innovative cover strip is featured on all Geo6 products, producing a clean and hygienic finish, free from unsightly screws.

Adjustment range

Uneven walls are not a problem with Geo6. All products feature an ample 50mm wall post adjustment system.

Attention to detail

Geo6 has been designed with meticulous attention to detail. Throughout the range there are special touches - for instance, cover caps on the top of all profiles and an increased height of 1900mm.

Offset Quadrant

The ultimate in luxury showering, taking the stylish shape and profile of a Quadrant enclosure and adding generous showering space.

- Sizes: 1000 x 800mm & 1200 x 900mm
- Universally handed
- Door swing back mechanism for easy cleaning
- Spring loaded door buffers for soft opening and cushioned closing
- 1900mm high
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Lifetime guarantee

Offset Quadrant

Quadrant

The Quadrant enclosure provides a distinctive and welcoming shape and creates a generous showering area. Curved glass sliding doors give access from the front, to ensure that no precious bathroom space is lost.

- Sizes: 800mm & 900mm
- Door swing back mechanism for easy cleaning
- Spring loaded door buffers for soft opening and cushioned closing
- 1900mm high
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Lifetime guarantee

Quadrant

Sliding Door

The Sliding Door enclosure provides a very generous showering space for one or two people. It can be used in a recess (shown opposite) or, with the addition of a side panel it can be positioned in a corner.

- Sizes: 1000mm and 1200mm
- Universal opening - left or right hand
- Door swing back mechanism for easy cleaning
- Spring loaded door buffers for cushioned opening
- 1900mm high
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Universal side panel with towel rail also available in 760mm, 800mm & 900mm dimensions. Note that this side panel can be used with all sliding, pivot and bi-fold doors.
- Lifetime guarantee

Pivot Door

The Pivot Door is a popular option, often used in conjunction with a side panel (as shown opposite), or in a recess. The robust pivoting system provides rigidity and durability to the door opening mechanism. This option is ideal when space is available for an outward opening door.

- Sizes: 760mm, 800mm & 900mm
- Universal opening - left or right hand
- Rise and fall hinge mechanism
- 1900mm high
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Universal side panel with towel rail also available in 760mm, 800mm & 900mm dimensions. Note that this side panel can be used with all sliding, pivot and bi-fold doors.
- Lifetime guarantee

Pivot Door

Bi-Fold Door

The Bi-Fold Door can be located in a recess, or with the addition of a side panel (as shown opposite). This stylish door folds neatly to the side to allow maximum access without encroaching into the bathroom.

- Sizes: 760mm, 800mm & 900mm
- Universal opening - left or right hand
- 1900mm high
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Universal side panel with towel rail also available in 760mm, 800mm & 900mm dimensions. Note that this side panel can be used with all sliding, pivot and bi-fold doors.
- Lifetime guarantee

Bi-Fold Door

4-Fold Bath Screen

Fitted above a bath, the 4 Part Folding Bath Screen has a smooth concertina-style folding action that's easy to use and which provides a practical, attractive solution where space is limited.

- Sizes: 1500 x 1000mm
- Available in left & right hand versions (right hand shown opposite)
- Folds back to 295mm
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Lifetime guarantee

4-Fold Screen

BS6206A

Single Panel Bath Screen

Designed for a shower that's fitted in conjunction with a bath. A Single Bath Panel Screen provides a secure, stylish and practical water screen which would suit any bathroom.

- Sizes: 1500 x 850mm
- Available in left & right hand versions (left hand shown opposite)
- Rise and fall hinge mechanism
- Pivots through 180 degrees
- 6mm clear safety glass
- Polished silver finish
- No visible fixings
- Profile cover caps
- Lifetime guarantee

Cleaning

To prevent limescale from building up, use a squeegee, a soft cloth or a chamois leather - but no cleaning agent - to wipe off any water droplets left after showering. Residue left by bodycare products (liquid soap, shampoo, shower gel) can also cause substances to accumulate. Use water to rinse away residues thoroughly after use.

Twyford Bathrooms would like to thank the following for their contribution to the brochure

- Shower Trays - MX-Group
- Shower Fittings - Ultra Finishing
- Tiles - H & R Johnson Limited
- Designed by Nine Yards Creative Communications
- Photography by TM2

All specifications shown are approximate. Products can be subject to tolerances due to the manufacturing process. Due to the process of continual development we reserve the right to amend specifications. Colours shown in this brochure are as close to the actual product colour as the printing process allows. September 2008. Prices shown are correct at the time of print.
