Xtra adjustment

54mm adjustment for increased installation flexibility.

Xtra flexibility

Select products have additional size options, providing a more comprehensive range to suit all applications and all products are available in silver and white frame finishes.

Xtra features

Elite Xtra side panels come complete with an integral towel rail and stylish handle on the Frameless Pivot door option. The *Aquarius Xtra* range benefits from increased glass thickness.

Xtra value

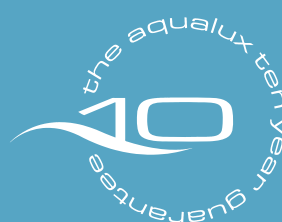

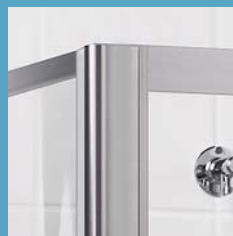

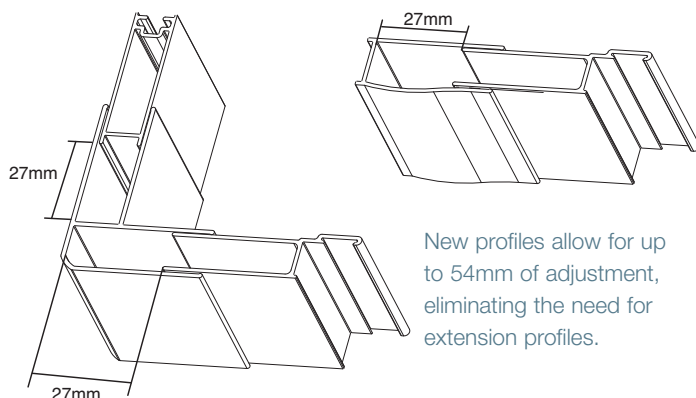

The Aqualux *Xtra* range comes at no extra cost to the standard *Aquarius* and *Elite* ranges.

Xtra peace of mind

The *Xtra* collection carries a 10 year guarantee, so you can be assured of quality products.

All toughened glass conforms to EN 12150-1:2000. ISO 9001 2000 registered company. ISO 14001 2004 registered company.

adjustable profile

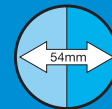

Elite Xtra is available in frameless and framed Pivot doors, which are available as door only for a recess fit or with a side panel to create a corner enclosure.

The Bi-fold door folds inwards providing a space saving option and can also be fitted in a recess or with a side panel. The Corner Entry doors slide smoothly back allowing easy access.

A popular choice, the sliding door comes in a choice of sizes, 1000mm, 1100mm and 1200mm, perfect for a recess fit or with a side panel to form a spacious enclosure. All side panels come complete with an integral towel rail.

Combine an Aquarius Xtra enclosure with a Tuff-Max Easy Plumb shower tray for greater installation flexibility. Each tray comes complete with adjustable legs, skirt and waste. See page 10 for full details.

underside of shower tray with skirt, adjustable legs and waste

The beauty of the Tuff-Max Easy Plumb trays is that everything is supplied; 120mm skirt, adjustable legs and waste. These trays make installation of a shower tray easy, with easy access to the supplied waste. The trays are constructed from a composite resin with encapsulated base board providing intense strength and durability. The legs can be adjusted from 10cm to 16cm and have clear, easy to read markings. When all legs have been set to the correct height they can be locked into position and the skirt can be clipped onto the tray.

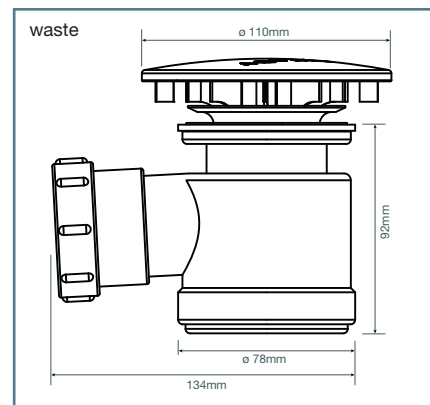

- Choice of tray sizes
- Legs, skirt and waste included
- Adjustable legs for greater ease of installation
- Detachable skirt allowing easy access
