# welcome to Aqualux

The modern bathroom is now one of the key areas of a house that must be functional and design conscious to provide a haven for relaxation.

Aqualux are setting a standard in shower enclosure design with stunning new products and innovative features. The AquaSpace range of walk-in enclosures harmonise spacious showering with quality finishing, including bamboo footboards. The new Walk-in Modular Shower Panels provide versatile fitting options for any size bathroom and can be installed as a wet room fit or on a tray.

Pura, is a minimalistic, floating glass design combined with slimline bar handles. Pura is further enhanced with 8mm toughened safety glass that is coated for easy cleaning. Both Pura and AquaSpace are backed by the Aqualux lifetime guarantee.

Tuff-Max shower trays are available in two options. Tuff-Max Lite is a lightweight tray designed to be strong and durable to give uncompromised performance, while Tuff-Max Easy Plumb has an adjustable leg system for easy installation.

The Crysta and Florenta steam cabins reflect the Aqualux ethos of functional design. They offer the perfect way to unwind from the fast pace of modern living.

Aqualux have a reputation for using quality materials and innovative design, so whichever showering product you chose you will have peace of mind as well as full support from our customer services department and fleet of trained technicians.

## walk-in modular shower panels

**New for 2008**, these extremely versatile, floating glass panels come in a selection of five sizes and provide an unique way of creating the perfect showering area for you. With striking, polished silver floor to ceiling fixing, the panels can be used individually or combined to form enclosed showering areas. These sleek panels can be used with a tray or on their own in a wet room fit.

walk-in modular shower panels in polished silver effect with clear glass as a wet floor fit

walk-in modular shower panel in polished silver effect with clear glass fitted with a tray

- Available frame finish: **polished silver effect**
- Glass pattern: **clear**
- Height: **2000mm**
- Extra features: **floor to ceiling fixing**

The floor to ceiling fixing is 2.5m high and can easily be cut down to accommodate the height of your ceiling. Each walk-in modular shower panel comes complete with a floor to ceiling fixing which can be used with or without a shower tray.

## walk-through

The AquaSpace Walk-through enclosure and shower tray is now more versatile with the addition of two sizes of side panel. Modern design and simple styling allows this enclosure to transform a bathroom into a spacious showering experience. Bamboo footboards create two drying areas, whilst the easy glide door system allows access from either side. A 2 metre extension rail is also available to fit a larger recess space, which can be cut down. The Walk-through is the perfect way to create a wet room feel.

## wet room conversion kit

Wet rooms provide the ultimate luxury in the modern bathroom. The AquaSpace, easy to install, Wet Room Conversion Kit is the easy way to transform an enclosure into a modern wet room. **Suitable for use with AquaSpace Corner Walk-through, Walk-around and Walk-in enclosures only.**

### Wet Room fitting guidelines:

The Wet Room Conversion Kit is designed to be used in conjunction with a proprietary wet floor solution.

Before fitting the enclosure the wet floor must be prepared. This will involve a waste, appropriate falls for drainage and a sealing membrane. The membrane can be finished with tiles. It is essential the floor is fully sealed before commencing the screen fit. The screen system locates on easy fit wall channels and is retained by curved brace bars. It has a combination of wall channel spacers and adjustable support feet on the outer edge of each screen. This allows the product to conform to a variety of wet floor fall gradients.

**NOTE:** The Walk-in Wet Room Conversion Kit cannot be used with the Walk-in Modular Shower Panels.

## pivot door

pivot door in white with ribbon glass

The Aquarius Pivot Door is a versatile option. Use for a recess fit or to create a square enclosure combine with a side panel. For a rectangular enclosure use a side panel and extension panel. When using a 760mm frame on an 800mm tray use two 20mm extension profiles. See page 60.

## TUFF-TRAYS®

Our collection of Tuff-Trays are the perfect complement to the Aqualux range of shower enclosures and come in four ranges; Tuff-Max Lite, Tuff-Max Easy Plumb, Tuff-Stone and Tuff-Lite. There is a tray for every installation from cast stone to super lightweight, all are guaranteed to provide strength and durability and come with a 12 month guarantee.

The beauty of the Tuff-Max Easy Plumb trays is that everything is supplied: 120mm skirt, adjustable legs and waste. These trays make installation of a shower tray easy, with easy access to the supplied waste. The trays are constructed from a composite resin with encapsulated base board providing intense strength and durability. The legs can be adjusted from 10cm to 16cm and have clear, easy to read markings. When all legs have been set to the correct height they can be locked into position and the skirt can be clipped onto the tray.

# Bath screens

Bath screens are a stylish and neater alternative to a shower curtain.

They are easy to clean and give a bathroom a more spacious feel.

Aqualux have added some sleek new designs to its range which echo the styling and features of its shower enclosures.

# p-bath

New to the Aqualux range is the P-bath and Over Bath Screens. This versatile corner or recess fit, space saving option combines a generous showering and large bathing area. Create either a fully enclosed showering area with two screens or a splash screen using just the front bath screen. Finished in polished silver effect with matching stylish handles and towel rail.

- 1 Available frame finish: **polished silver effect**
- 1 Glass pattern: **clear**
- 1 Screen height: **1500mm**
- 1 Bath: **4mm acrylic in high gloss 208ltr capacity**
- 1 Bath height: **580mm**
- 1 Extra feature: **stylish handle on over bath screen**  
**towel rail on front bath screen**

#### Installation guidelines for Aqualux steam cabins

##### Specification:

Working voltage: 220 - 240 Volts

Power consumption: 2500 - 3800 Watts

Maximum current draw: 15.8 - 17.3 Amps

Water consumption: 900 - 1200 litres per hour

Working water pressure of steam generator: 0.75 Bar

Water supply requirement: separate hot and cold inputs are required, each at a pressure of 1.5 - 3 Bar. NB: if the water pressure is below this range a twin negative head pump must be used to boost the hot and cold supply,

***A pump must not be used on the output of a combi boiler.***

##### Installation guidelines:

150mm clearance must be allowed for between the cabin roof and ceiling to allow adequate venting. It is essential that a fully qualified electrician and fully qualified plumber install the unit in accordance with current regulations. The product requires hard wiring into the mains.

# terms and conditions of sale

## 1. Contract Terms

Unless other terms and conditions are expressly accepted by the Seller by means of a specific written amendment hereto signed by the Seller or a director of the Seller the contract will be on the terms and conditions set out below and overleaf ("the Contract Terms") to the exclusion of any other terms and conditions (except those implied in favour of a seller which are not inconsistent with the Contract Terms) whether or not the same are endorsed upon, delivered with or referred to in any purchase order or other document delivered or sent by the Buyer to the Seller. Any reference overleaf to the Buyer's order, specification or like document will not be deemed to imply that any terms or conditions endorsed upon, delivered with or referred to in such order, specification or like document will have effect to the exclusion or amendment of the Contract Terms.

## 2. Quotations

2.1 Any quotation is given on the basis that no contract will come into existence until the Seller despatches an acknowledgement of order to the Buyer or effects delivery whichever is earlier.  
2.2 A quotation by the Seller does not constitute an offer and the Seller reserves the right to withdraw or revise the same at any time prior to the Seller's acknowledgement of an order.  
2.3 Any quotation is valid for a period of 30 days only from its date provided that the Seller has not previously withdrawn it.

## 3. Delivery

3.1 The Seller will endeavour to deliver the goods to be supplied under the contract ("the Goods" which expression includes any of them or any part of them) within the time agreed and if no time is agreed within a reasonable time, but in no circumstances will the seller be liable for loss or damage of any kind whatsoever caused directly or indirectly by any delay in the delivery of the Goods, nor unless such delay exceeds 30 days will any delay entitle the Buyer to terminate or rescind the contract.  
3.2 The Seller may make delivery by instalments.  
3.3 The delivery will be made ex the Seller's works and the contract price is calculated on that basis unless the parties agree otherwise.  
3.4 No claim for shortages will be considered unless the delivery paperwork is so marked at the time of delivery and the buyer confirms such complaint in writing within 7 days of delivery. No claim for damage will be considered unless the Seller is advised in writing within 7 days of delivery. In the absence of such advice the Buyer will be deemed to have accepted the Goods. No claim for non-delivery will be considered unless the Seller is advised in writing, within 21 days of the date of the Seller's invoice. Any claim for damage, shortages or non-delivery shall also be notified to the carriers by the Buyer in the manner and within the appropriate time limit prescribed by the carriers' terms and conditions.  
3.5 In the event of failure by the Buyer to give the appropriate notice or notices as specified in Clause 3.4, the Buyers' claim will be deemed to have been waived and will be absolutely barred.

## 4. Blanket Orders

The following provisions will apply where the Seller supplies the Goods under a blanket order received from the Buyer:-  
4.1 if the order is a scheduled order where the maximum quantity of goods required and the approximate dates (including the terminal date) on which the requirements will be called off are specified, the whole order will be treated as a single contract upon the Contract Terms.  
4.2 if the order is a non-scheduled order where the maximum quantity of Goods required or where the appropriate call off dates are not specified, each call off will be deemed to conclude a separate contract upon the Contract Terms.  
4.3 if the order is a non-scheduled order where the appropriate call off dates are not specified, the Seller may require the Buyer to accept delivery of the maximum quantity of Goods required within twelve months of the date of the contract. Without limiting the generality of any of the other Contract Terms the Seller will not be under any liability to the Buyer if at the time of any call off by the Buyer the Seller is unable for whatever reason to supply Goods in accordance with the Buyer's requirements.

## 5. Guarantee and Exclusion Clauses

5.1 Where the Seller is not the manufacturer of the Goods the Seller will endeavour to transfer to the Buyer the benefit of any warranty or guarantee given by the manufacturer.  
5.2 In respect of all goods manufactured by the Seller the Seller will honour the printed warranties relating to those goods and a copy of the warranty relating to the Goods is attached to these Conditions and is available upon request. In respect of other goods where there are no printed warranties the Seller will free of charge within a period of 12 months from the date of despatch repair or at its option replace any Goods which are proved to the reasonable satisfaction of the Seller to be defective in material or workmanship provided that this obligation will not apply where:-  
5.2.1 the Goods have been altered in any way whatsoever or have been subjected to misuse or unauthorised repair;  
or  
5.2.2 the Goods have been improperly installed (unless the Seller carried out such installation and connection); or  
5.2.3 the Buyer has failed to observe any maintenance requirements relating to the Goods; or  
5.2.4 the Buyer has failed to notify the Seller of any defect or suspected defect within 14 days of the same coming to the knowledge of the Buyer. Any Goods replaced will belong to the Seller. Any repaired or replacement Goods will be guaranteed on these terms for the unexpired portion of the twelve month period.  
5.3 SAVE AS PROVIDED IN CLAUSE 5.2 THE SELLER WILL BE UNDER NO LIABILITY UNDER THE CONTRACT FOR ANY PERSONAL INJURY, DEATH, LOSS OR DAMAGE OF ANY KIND

WHATSOEVER (OTHER THAN DEATH OR PERSONAL INJURY RESULTING FROM THE SELLER'S NEGLIGENCE) WHETHER CONSEQUENTIAL OR OTHERWISE INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS AND THE SELLER HEREBY EXCLUDES ALL CONDITIONS, WARRANTIES AND STIPULATIONS EXPRESS OR IMPLIED, STATUTORY, CUSTOMARY OR OTHERWISE WHICH BUT FOR SUCH EXCLUSION WOULD OR MIGHT SUBSIST IN FAVOUR OF THE BUYER EXCEPT THAT SUCH EXCLUSION WILL NOT APPLY TO:-

5.3.1 ANY IMPLIED CONDITION THAT THE SELLER HAS OR WILL HAVE THE RIGHT TO SELL THE GOODS WHEN THE PROPERTY IS TO PASS; OR  
5.3.2 WHEN THE BUYER DEALS AS A CONSUMER (AS DEFINED IN SECTION 12 OF THE UNFAIR CONTRACT TERMS ACT 1977), ANY IMPLIED TERM RELATING TO THE CONFORMITY OF THE GOODS WITH THEIR DESCRIPTION OR SAMPLE OR AS TO THEIR QUALITY OR FITNESS FOR A PARTICULAR PURPOSE.  
5.4 IN NO CIRCUMSTANCES WILL THE SELLER OR ITS EMPLOYEES, AGENTS OR SUB-CONTRACTORS BE LIABLE FOR ANY LOSS OR DAMAGE OF ANY KIND WHATSOEVER (OTHER THAN DEATH OR PERSONAL INJURY RESULTING FROM THE SELLER'S NEGLIGENCE) WHETHER CONSEQUENTIAL OR OTHERWISE CAUSED DIRECTLY OR INDIRECTLY BY ANY NEGLIGENCE OR OTHER TORTIOUS ACT OR BREACH OF STATUTORY DUTY ON THE PART OF THE SELLER OR ON THE PART OF ANY OF ITS EMPLOYEES, AGENTS OR SUBCONTRACTORS IN CONNECTION WITH OR ARISING OUT OF THE MANUFACTURE OR SUPPLY OF THE GOODS OR IN CONNECTION WITH ANY STATEMENT GIVEN OR MADE (OR ADVICE NOT GIVEN OR MADE) BY OR ON BEHALF OF THE SELLER.

## 6. Risk

Notwithstanding any other Contract Term, risk in the Goods shall pass to the Buyer when the Goods are delivered to the Buyer or its agent.

## 7. Property in the Goods

7.1 The property (both legal and equitable) in the Goods shall not pass to the Buyer until  
7.1.1 the purchase price of the Goods has been paid in full; and  
7.1.2 payment to the Seller of any sum which is at the date of the contract or may thereafter become due or owing from the Buyer to the Seller.  
7.2 Until property in the Goods has passed to the Buyer or until delivery of the Goods to a third party pursuant to the permission given below, the Buyer will hold the Goods in a fiduciary capacity, will not obliterate any identifying mark on the Goods or their packaging and will keep the Goods separate from any other goods.  
7.3 Prior to the property in the Goods passing to the Buyer the Seller permits the Buyer to deliver the Goods to a third party pursuant to a bona fide and arms-length agreement to re-sell the Goods but such liberty will cease upon the termination of the contract.  
7.4 Where the Seller is unable to determine whether any goods are the Goods the Buyer shall be deemed to have sold all goods of the kind sold by the Seller to the Buyer in the order in which they were invoiced to the Buyer.  
7.5  
7.5.1 The Seller may at any time after payment for the Goods has become due take possession of the Goods (which for the avoidance of doubt will include the right to stop the Goods in transit) and remove them and the Buyer shall be deemed to have granted irrevocable authority to the Seller to enter upon the Buyer's premises or other premises where the Goods may be by its employees or agents to take possession of the Goods and (if necessary) to dismantle the Goods from anything to which they are attached.  
7.5.2 If prior to the expiry of 7 days from the date when the Seller has taken possession of the Goods the Buyer pays all sums then due or owing to the Seller together with the costs of re-taking possession of the Goods, the Seller will re-deliver the Goods to the Buyer at the Buyer's expense. If within the 7 day period the Buyer fails to pay all sums then due or owing to the Seller, the Seller may re-sell the Goods and shall pay to the Buyer the balance of any sums received upon the re-sale of the Goods after deducting all sums due or owing from the Buyer to the Seller and the costs of taking possession of and re-selling the Goods save that if the sums so received by the Seller do not exceed all sums due or owing from the Buyer to the Seller and the costs of taking possession of and re-selling the Goods the Buyer will pay to the Seller any shortfall.  
7.6 If the Buyer sells the Goods before the property in them passes to the Buyer, the Buyer will hold the debt due to the Buyer resulting from the sale of the same in a fiduciary capacity and will promptly account to the Seller for the proceeds of any such re-sale and, prior to paying such proceeds to the Seller, the Buyer will hold the same in a fiduciary capacity keeping the same separate from its other monies. On receiving such proceeds the Seller will return to the Buyer any sum received in excess of the total of all sums due or owing from the Buyer to the Seller at the date of receipt by the Seller of such proceeds of sale.  
7.7 The Seller will have the right to maintain an action against the Buyer for the price of the Goods notwithstanding that property in the Goods has not passed.  
7.8 Nothing in the contract will constitute the Buyer the agent or the Seller in respect of any re-sale of the Goods by the Buyer so as to confer upon a third party rights against the Seller.

## 8. Price

8.1 The contract price is based on the costs of materials, labour, sub-contracts, transport, taxes, duties and currency exchange rates ruling at the date of the quotation. The Seller reserves the right to amend the contract price to take account of any variations in these costs or the imposition of any new taxes or duties occurring from whatever cause before delivery of the Goods.  
8.2 Unless expressly stated otherwise all prices are exclusive of V.A.T. which shall be charged at the rate and in the manner prescribed by law from time to time.

## 9. Payment

9.1 9.1.1 Where no account has been agreed by the Seller the Goods will not be delivered until the Seller is paid the amount shown on the pro-forma invoice relating to the Goods.

9.1.2 Where an account has been agreed the Seller may in its absolute discretion set and alter the Buyer's credit limit and the Seller reserves the right not to deliver the Goods if the price thereof increases the amount owed by the Buyer to the Seller beyond the Buyer's credit limit.

9.1.3 When an account has been agreed and the price of the Goods together with all other indebtedness of the Buyer to the Seller does not exceed the Buyer's credit limit the price will become payable upon delivery and payment will be made by the Buyer within 30 days of the date of the Seller's invoice otherwise agreed in writing.

9.2 Interest at an annual rate of 5% above National Westminster Bank plc Base Rate from time to time will accrue daily and be calculated on a daily basis on overdue accounts from the date of invoice until payment.

9.3 Notwithstanding any Contract Term allowing the Buyer credit payment shall become due and payable to the Seller immediately upon the termination of the contract.

9.4 Where the Buyer makes default under the contract or any other contract with the Seller in payment on the due date of any sum to the Seller, the Seller without liability may postpone any delivery or may cancel the contract or any other contract between the Seller and the Buyer but without prejudice to any right or remedy which the Seller may have against the Buyer in respect of such default.

9.5 The Seller will be entitled to payment for all instalments of Goods delivered to the Buyer whether under a blanket order or otherwise.

9.6 The Seller shall at any time be entitled to appropriate any payment made by the Buyer in respect of any goods in settlement of such invoices or accounts in respect of such goods as the Seller may in its absolute discretion think fit notwithstanding any purported appropriation to the contrary by the Buyer.

## 10. Lien

The Seller will (without prejudice to any other remedy available to it) have in respect of all unpaid debts due from the Buyer a general lien on all goods (whether or not the property of the Buyer) in the possession of the Seller for whatever purpose and whether worked upon or not and be entitled upon the expiration of not less than 14 days notice in writing to the Buyer to dispose of such property and to apply the proceeds towards the satisfaction of such debts.

## 11. Cancellation

11.1 If the Buyer cancels, extends or delays or purports to cancel, extend or delay the Contract, or part thereof, or fails to take delivery of any Goods at the time agreed (if any) or if no time is agreed within a reasonable time, then the Buyer will be liable (without prejudice to any other rights of the Seller to claim damages) to indemnify and keep indemnified the Seller against any resulting loss, damage or expense incurred by the Seller in connection with the supply or nonsupply of the Goods including the cost of any material, plant or tools used or intended to be used therefor and the cost of labour and other overheads including a percentage in respect of profit.

11.2 If the Seller is unable (whether temporarily or permanently) to procure any services or goods necessary to enable it to supply the Goods or if the supply of the Goods is prevented or hindered by reason of any cause beyond the Seller's reasonable control which for the avoidance of doubt and without prejudice to the generality of the foregoing shall include governmental action, war, riot, commotion, fire, flood, epidemic, labour disputes including labour disputes involving the work force or any part thereof of the Seller, restraints or delays affecting shipping or carriers, currency restrictions and Act of God, the Seller may cancel or suspend the contract by notice in writing to the Buyer so far as it relates to Goods not then supplied or work not then done or extend the time of its performance by a period equivalent to that during which performance by the Seller has been prevented by the circumstances hereinbefore referred to, in the case of any cancellation, suspension or extension by the Seller this will not give rise to any claims by the Buyer provided that the Buyer shall remain liable to pay for Goods delivered prior to the date of such cancellation.

## 12. Storage

If the Buyer fails to take delivery of the Goods when they are ready for delivery the Seller may, at its option, either store them itself or have them stored by third parties on such terms as the Seller may in its absolute discretion think fit. In any event the cost of storage will be borne by the Buyer and insofar as the storage is done by the Seller then such cost will be the Seller's storage charges current at the time of storage. The cost together with any additional insurance or double handling charges will be added to and form part of the price for the Goods.

## 13. Specification or Design

13.1 Where the Goods are manufactured in accordance with information or drawings supplied by the Buyer or to his design or specification or where standard goods of the Seller are altered in accordance with the Buyer's instructions:-

13.1.1 no guarantee or warranty is given by the Seller as to practicability, efficiency, safety or otherwise of the Goods (this being without prejudice to any other of the Contract Terms).

13.1.2 the Buyer will indemnify and keep the Seller indemnified against all liability incurred by the Seller as a result of:

13.1.2.1 such goods infringing any intellectual property right including without prejudice to the generality of the foregoing patents registered designs and copyright or the provision of any statute, statutory instrument or regulation.

13.1.2.2 any impracticability, inefficiency or lack of safety or other defects in the Goods where such defect is due (whether in whole or in part) to faults or omissions in such information, drawings, design, specification or instructions.

13.2 No variation in the specification or design of any Goods which in the reasonable opinion of the Seller does not affect the suitability of the Goods for the purpose for which they are supplied by the Seller will constitute a breach of contract or impose upon the Seller any liability whatsoever.

13.3 The Seller will be under no liability whatsoever to the Buyer in respect of any loss damage or claim incurred by or made against the Buyer should any goods supplied by the Seller infringe any intellectual property right including without prejudice to the generality of the foregoing patents registered designs and copyright or the provision of any statute statutory instrument or regulation.

13.4 Unless otherwise agreed in writing all patterns, drawings, tools or other similar items produced or other property (whether intellectual property or not) owned or created by the Seller will remain the property of the Seller and must not be used or copied by the Buyer.

13.5 Where it is agreed that ownership in any data, patterns, drawings, tools or other similar items is to pass to the Buyer property shall only pass when such items have been paid for by the Buyer in full.

## 14. Promotional Material

No drawings, descriptive matter, weights, dimensions or shipping specifications issued by the Seller or the manufacturer of the Goods, nor the descriptions and illustrations contained in the Seller's or manufacturer's catalogues, price lists or other promotional material will form part of the contract nor be regarded as a warranty or representation relating to the Goods.

## 15. Right of Re-sale

If the Buyer defaults in accepting delivery of or paying for the Goods, the Seller reserves the right to re-sell the Goods or any of them to a third-party without giving notice to the Buyer of the Seller's intention to re-sell.

## 16. Set-off

The Buyer will have no right of set-off, statutory or otherwise.

## 17. Termination

17.1 The Contract will terminate immediately upon the happening of any one or more of the following, namely, that the Buyer has had a bankruptcy order made against him or has made an arrangement of composition with his creditors or otherwise taken the benefit of any Act for the time being in force for the relief of insolvent debtors or (being a body corporate) has had convened a meeting of creditors (whether formal or informal) or has entered into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation or has a receiver manager administrator or administrative receiver appointed of its undertaking or any part thereof or a resolution has been passed or a petition presented to any Court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer or any proceedings have been commenced relating to the insolvency or possible insolvency of the Buyer.

17.2 The contract will terminate immediately upon service of written notice of termination by the Seller on the Buyer on the happening of any one or more of the following, namely, that the Buyer has suffered or allowed any execution whether legal or equitable to be levied on his/its property or obtained against him/it or has failed to observe or perform any of its obligations or duties under the contract or any other contract between the Seller and the Buyer or is unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986 or the Buyer has ceased to trade.

17.3 The Seller's rights contained in the clause headed "Property in the Goods" (but not the Buyer's rights) shall continue beyond the discharge of the parties primary obligations under the contract consequent upon its termination.

17.4 The termination of the contract howsoever arising will be without prejudice to the rights and duties of either party accrued prior to termination.

## 18. Export

Where the goods are to be exported to the Buyer:-

18.1 The Uniform Laws on International Sales Act 1967 shall not apply to this contract.

18.2 Payment will be made in Pounds Sterling in England or such other currency as may be agreed.

18.3 The Goods will be sold ex works unless otherwise agreed in writing.

## 19. General

19.1 The Seller will be entitled to assign sub-contract or sub-let the contract or any part thereof.

19.2 Failure by the Seller to enforce any of the Contract Terms will not be construed as a waiver of any of its rights hereunder.

19.3 In relation to all obligations of the Buyer under the contract the time of performance is of the essence.

19.4 The legal construction of these clauses shall not be affected by their headings which are for convenience of reference only.

## 20. English Law

The formation, interpretation and operation of the contract will be subject to English Law and the Buyer submits himself to the non-exclusive jurisdiction of the English Courts.

Keep your  
Aqualux shower  
clean with  
the new
