practical. stylish. durable.

The new Shine range of enclosures offers a great selection of styles, from space saving bi-fold doors to the luxury of a walk-in enclosure.

practical. Shine enclosures have smooth gliding doors with gel magnet seals to form a watertight seal. The doors are also removable for easier cleaning. All enclosures have 20mm of adjustment for out-of-true walls and are easy to install.

stylish. Clean lines and semi-frameless styling make these enclosures the perfect choice. Gentle curved handles and well designed hinges will blend well in any bathroom.

durable. All Shine enclosures have 6mm toughened glass for extra safety. For extra peace of mind all enclosures are backed with a 10 year guarantee.
