Water saving 6/3 litre dual flush (4.5/3 litre capable WRAS approval pending).

Prices exclude baths, taps, wastes, accessories and any other ancillary items shown in the photography.

Odessa Close Coupled Suite

The flowing lines of the Odessa close coupled pan and push button cistern are enhanced by its matching profiled seat and cover. The wc can be paired with either a matching 500 or 550mm basin.

Odessa Suite

RRP £549

with slow close seat £619

All prices include VAT at 17.5%.
All products can be purchased separately.

Odessa

The highly contemporary Odessa family of products can provide a bespoke bathroom design tailored exactly to your home. The smooth curves of the design feature throughout each of the Odessa products available.

Odessa Wall Hung Suite RRP £399

The Odessa wall hung suite creates a very practical and functional clear floor space without compromising style or good looks. A concealed cistern and pan support frame are required.

Odessa Deluxe Suite

RRP £599

This flagship Odessa suite has it all, the distinctive flowing curves but with the clean lines of a back to wall close coupled pan and cistern integrating together to completely obscure the soil pipe. Shown with the 550 basin and semi pedestal to complete the luxury look. Bidet purchased separately.

Odessa Back To Wall Suite RRP £425

The back to wall suite is yet another bathroom design option available in the Odessa range. A neat and compact wc for installation with a concealed wc cistern is shown with the Odessa semi recessed basin. This basin is readily installed into all types of suitable wall or floor mounted bathroom furniture.

Tribune

ENVIRONMENTALLY
CONSCIOUS
TECHNOLOGY

The environmentally friendly bathroom solution. The revolutionary Tribune suite saves both water and space. With its compact design and WRAS accredited 4.5/3 litre flush this suite is included on the DEFRA list of approved water saving devices.

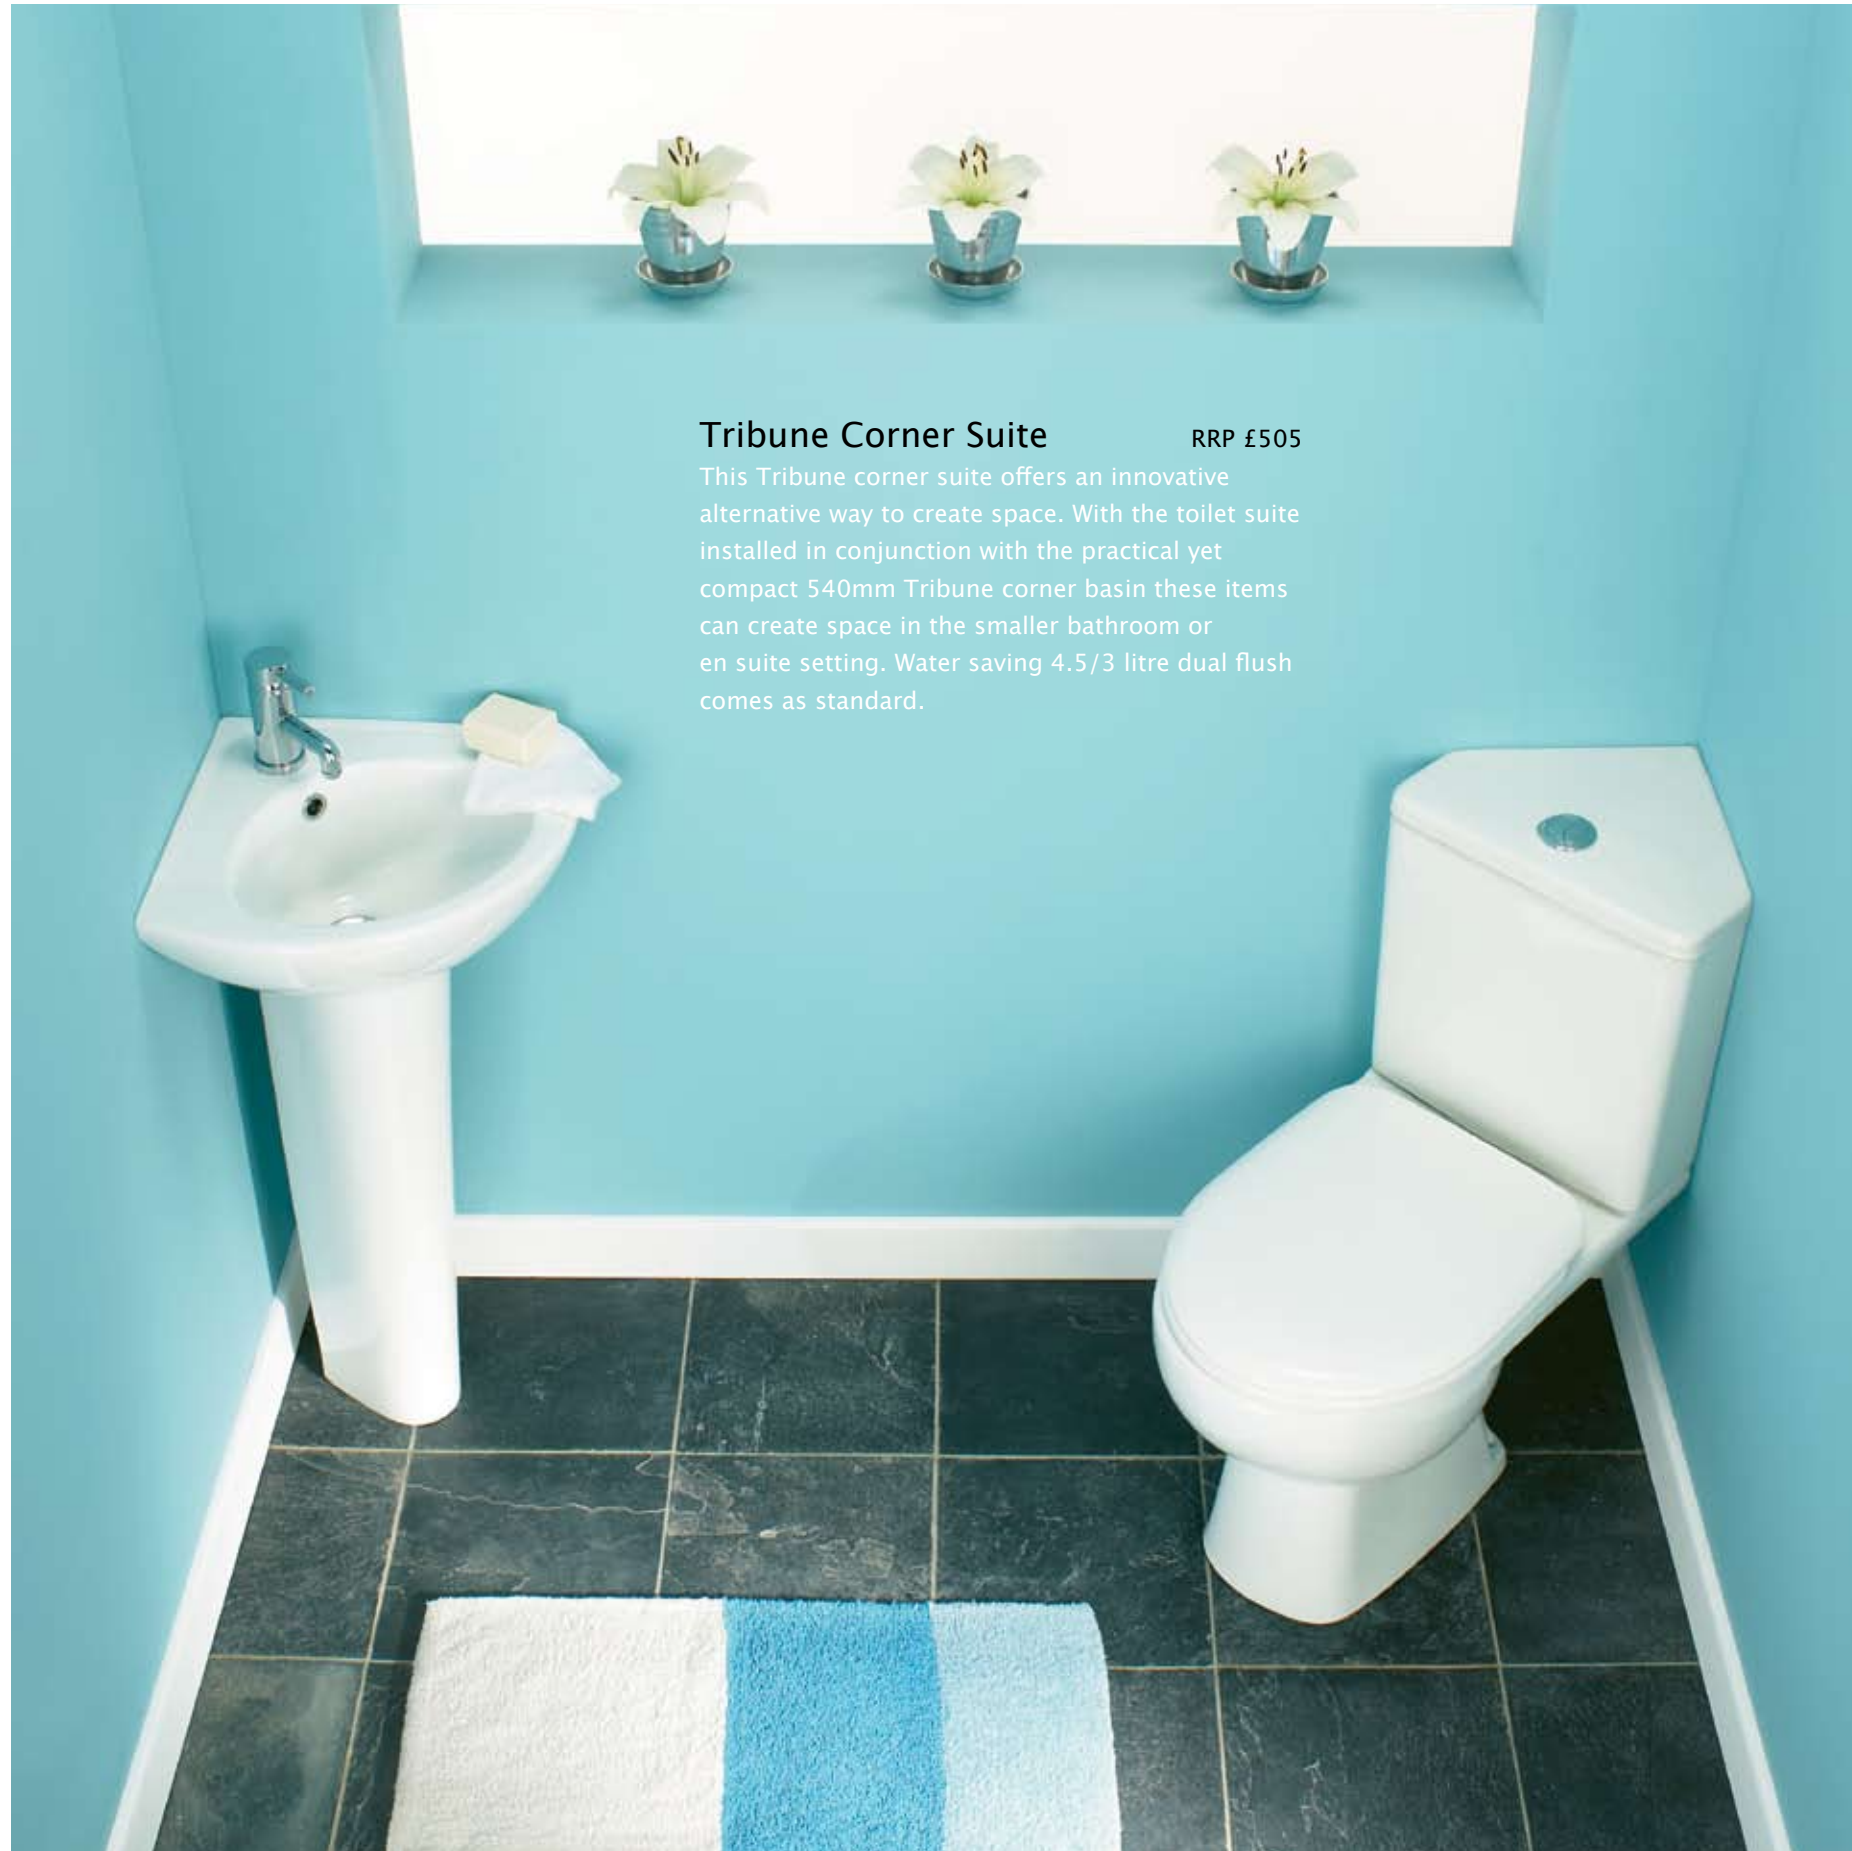

Tribune Suite
RRP £365

All prices include VAT at 17.5%.
All products can be purchased separately.

Tribune Suite

The fashionable good looks of this compact suite will enhance any bathroom. Appearance however gives no hint of the Tribune's potential to save water with every flush, especially when replacing older 7.5 or even 9 litre single flush toilet suites. Make your bathroom beautiful and make a significant contribution to water saving.

Tribune Corner Suite

RRP £505

This Tribune corner suite offers an innovative alternative way to create space. With the toilet suite installed in conjunction with the practical yet compact 540mm Tribune corner basin these items can create space in the smaller bathroom or en suite setting. Water saving 4.5/3 litre dual flush comes as standard.

All prices include VAT at 17.5%.
All products can be purchased separately.

Impulse
BATHROOMS
10
10 YEAR GUARANTEE

Impulse sanitaryware products are manufactured to the highest standards in our modern CICS UK accredited factory. Ceramic sanitaryware however is subject to the unique nature of its manufacturing process. Unlike machine formed products in steel or plastic, ceramic products shrink during firing and may be subject to minor shape variations. All sizes quoted are nominal. Sizes may vary to plus or minus 2%. Such minor variations will have no significant affect upon the finished look or installation of the product.

We offer a warranty against fair wear and tear and faults occurring in any correct domestic installation as follows:

10 years: Ceramic products and acrylic baths.

1 year: Taps, other accessories and fittings, including seats and cistern fittings.

This guarantee covers products supplied by Impulse Bathroom Products under the Impulse brand name and installed in the United Kingdom and The Republic of Ireland. If, in our opinion, the product does not meet our exacting quality standards as a result of a manufacturing defect and has failed under the terms of the guarantee we will undertake to credit, repair, or replace that item such as we determine. This does not affect your statutory rights.

Whilst we take great care to ensure our products reach customers in perfect condition every item should be thoroughly inspected prior to any installation/removal work commencing.

If a claim is made, under the guarantee, we ask that the following conditions are met:

- i. The product has been fitted in accordance with our fixing instructions, new Water Regulations and general good plumbing practice.
- ii. That proof of purchase is supplied at the time of claim.
- iii. The product has been maintained and cared for in accordance with our Care Instructions.
- iv. We cannot accept responsibility for the failure of a product if, in our opinion, it has been modified, misused, neglected or wilfully or accidentally damaged. It should have been used for its sole design purpose.
- v. We must be given reasonable opportunity to inspect the installed situation. If removed, the product should be retained.
- vi. Our policy is one of continuous improvement. If, in our opinion, the product has failed under the terms of the guarantee and a replacement is offered, but identical goods are no longer available, we will replace with the nearest equivalent.
- vii. Our liability is limited to the single product in question and not the whole bathroom suite. This guarantee does not extend to cover consequential loss or damage or installation costs arising from the defective product.

viii. This guarantee is not transferable to the new owner of the product.

For full details of the guarantee, please call 0121 328 6824 or email sales@impulsebathrooms.co.uk.
